TERMS OF REFERENCE PROJECT MANAGER

A. BACKGROUND

„Education Quality Improvement” Project (EQIP) is a World Bank (hereinafter “the Bank”) - financed Project to be implemented between June 2023 and December 2029.

The total cost of the Project is US\$ 59.8million equivalent comprising (i) a non-concessional portion in the amount of EUR36.5 million (US\$40 million equivalent), (ii) a concessional portion in the amount of US\$10 million under the Global Concessional Financing Facility (GCFF) on a non-reimbursable basis (Loan No. IBRD 9536-MD), (iii) grant in the amount of US\$5 million from the Early Learning Partnership Multi-Donor Trust Fund (TF0C1507) and (iv) a grant in the amount of US\$4.8 million from the Global Partnership for Education Fund (TF0C1484).

The project development objectives are to: (i) improve the learning environment in Participating Institutions, with an emphasis on supporting Disadvantaged Students; and (ii) strengthen the capacity of the Ministry of Education and Research for sector management and refugee response. The Project is organized around four components and its objectives will be achieved through improved teacher practices, a learning recovery program for disadvantaged students, an improved learning environment in targeted schools and preschools, and the development of the institutional capacity to design, implement and evaluate education reforms and refugee response interventions. The proposed Contingent Emergency Response Component under fourth part will support the country’s future response in the event of a natural or manmade disaster or emergency.

The EQIP components are described below:

1. *Component 1* - Improve Quality of Teaching Practices. This component aims to (i) improve the quality of teaching; (ii) develop, pilot, and implement a rapid formative assessment, a Learning Recovery Program, and a supplemental tutoring for Disadvantaged Students; and (iii) develop School Subprojects through the provision of School Grants to support in-service teacher professional development opportunities.
2. *Component 2* – Improve the Quality of Learning Environment in Participating Institutions. This component aims to improve the learning environment of Participating Institutions through (i) equipping Participating Institutions with furniture and equipment; (ii) carrying out civil works for the rehabilitation of Participating Institutions and Selected ECEC Facilities; and (iii) construction of three (3) high schools in Priority Areas.
3. *Component 3* – Strengthening the Capacity for Education Sector Management and Refugee Response. This component would support (i) improvement in planning, management, and evaluation of education reforms and (ii) Project Management.
4. *Component 4* – Contingent Emergency Response. This component will provide immediate response to an Eligible Crisis or Emergency, as needed, in case a natural or man-made disaster or emergency arises.

The Ministry of Education and Research (MoER) would be responsible for overall Project implementation, while the National Office for Regional and Local Development (NORLD) would implement activities related to civil works.

In this context, a Project Manager will be hired to assist and provide technical support to the NORLD for overall successful implementation of the civil works Project activities, as well as monitor and evaluate its impact.
